

## Packages for Online and Hybrid Events

Fully equipped production studio and stage at the Impact Hub Vienna (1070 Vienna) for online and hybrid events with an on-location audience of up to 100 people. Room rent included and additional event services available!

Multi-camera broadcast studio with live editing, LED lighting, audio mixing and recording.

Number of cameras

Mobile camera with wireless video transmission

Implementation of PowerPoints/Keynotes as picture-in-picture/split-screen

Seamless integration of pre-existing video clips

Large LCD-Screens for stage and audience (for call-ins, PowerPoint slides, sli.do polls...)

Live-stream for embedding on your website, or your choice of digital event platform oder social-media channel.

Mics for speakers (your choice of pin-on, handheld or head-set mic)

Dedicated sound director for complex events (need for more than 5 mics and/or PA/amplification in the room)

PA/amplification for an on-location audience of up to 100 people

Integration of questions from the online audience (via sli.do, moderated by your team)

Call-ins of off-site speakers/contributors via video conference (i.E. via Zoom, Teams, Webex) BASIC package: up to 4 people, only one at a time.

PREMIUM package: up to 12 people, 4 simultaneously, includes coaching/onboarding/test call ahead of the event. For more, please ask for an individual offer.

Graphics for the stream (opener/closer/lower-thirds/graphical backdrops/masks for picture-in-picture/split-screen). Your choice from a variety of templates.

Individually designed graphics for the stream based on your CI (opener/closer/lower-thirds/graphical backdrops/masks for picture-in-picture/split-screen).

Teleprompter (operated by your team or one of our crew)

Integration of sign-language interpretation as picture-in-picture (includes additional camera, neutral backdrop, 2x in-Ear and monitor for the interpreters). Interpreters not included.

prices valid as of 15 December, 2021
